

[illegible]

Salary	\$55656
Altcevy	\$564556
Text	\$15656
<b>Total:</b>	<b>\$50</b>

A pie chart illustrating the composition of salary components. The chart is divided into three segments: a large red segment representing 'Total salary', a medium blue segment representing 'Flex Allowance', and a small green segment representing 'Company contribution'. Each segment is labeled with a text box and a leader line pointing to the corresponding slice. Below the chart, a legend identifies the colors: red for 'Total salary', blue for 'Flex Allowance', and green for 'Company contribution'.

Component	Color	Relative Size
Total salary	Red	Large
Flex Allowance	Blue	Medium
Company contribution	Green	Small

<b>Total Salary</b>	+	<b>Flex Benefit</b>	+	<b>Cie Contribution</b>	=	<b>Total Reward</b>
\$434343		\$5434343		\$434343		\$11434343
